#### 1 General

#### 1.1 Introduction

Disclaimer: The Billing Instructions Form Locator information enclosed are for the use of paper claim submission only. For Electronic claim submission information, please utilize the Companion Guides found at <a href="https://www.kymmis.com">www.kymmis.com</a> under Companion Guides and EDI Guides.

These instructions are intended to assist persons filing claims for services provided to Kentucky Medicaid Members. Guidelines outlined pertain to the correct filing of claims and do not constitute a declaration of coverage or guarantee of payment.

Policy questions should be directed to the Department for Medicaid Services (DMS). Policies and regulations are outlined on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/default.aspx

Fee and rate schedules are available on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/feesrates.aspx

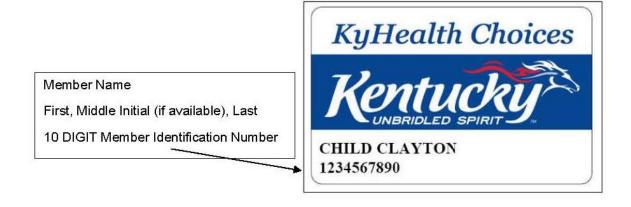

## 1.2 Member Eligibility

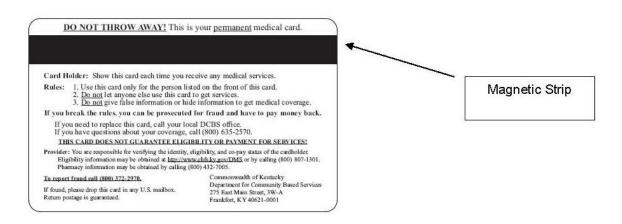

Members should apply for Medicaid eligibility through kynect (kyenroll.ky.gov), by phone at 1-855-4kynect (1-855-459-6328), or in person at their local Department for Community Based Services (DCBS) office. Members with questions or concerns can contact Member Services at 1-800-635-2570, Monday through Friday. This office is closed on holidays.

The primary identification for Medicaid-eligible members is the Kentucky Medicaid card. This is a permanent plastic card issued when the Member becomes eligible for Medicaid coverage. The name of the member and the member's Medicaid identification (ID) number are displayed on the card. The provider is responsible for checking identification and verifying eligibility before providing services.

NOTE: Payment cannot be made for services provided to ineligible members. Possession of a Member Identification card does not guarantee payment for all medical services.

#### 1.2.1 Plastic Swipe KY Medicaid Card

Through a vendor of your choice, the magnetic strip can be swiped to obtain eligibility information.

Providers who wish to use the card's magnetic strip to access eligibility information may do so by contracting with one of several vendors.

#### 1.2.2 Member Eligibility Categories

#### 1.2.2.1 QMB and SLMB

Qualified Medicare Beneficiaries (QMB) and Specified Low-Income Medicare Beneficiaries (SLMB) are Members who qualify for both Medicare and Medicaid. In some cases, Medicaid may be limited. QMB Members have Medicare and full Medicaid coverage, as well. QMB-only Members have Medicare, and Medicaid serves as a Medicare supplement only. A Member with SLMB does not have Medicaid coverage; Kentucky Medicaid pays a "buy-in" premium for SLMB Members to have Medicare, but offers no claims coverage.

#### 1.2.2.2 Managed Care Partnership

Medical benefits for persons whose care is overseen by a Managed Care Organization (MCO) are similar to those of Kentucky Medicaid, but billing procedures and coverage of some services may differ. Providers with MCO questions should contact the respective MCO provider services: Passport Health Plan at 1-800-578-0775, WellCare of Kentucky at 1-877-389-9457, Humana Caresource at 1-855-852-7005, Anthem Blue Cross Blue Shield at 1-800-880-2583, or Aetna Better Health of KY at 1-855-300-5528.

#### 1.2.2.3 KCHIP

The Kentucky Children's Health Insurance Program (KCHIP) provides coverage to children through age 18 who have no insurance and whose household income meets program guidelines. Children with KCHIP III are eligible for all Medicaid-covered services except Non-Emergency Transportation and Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Special Services. Regular KCHIP children are eligible for all Medicaid-covered services.

For more information, access the KCHIP website at <a href="http://kidshealth.ky.gov/en/kchip">http://kidshealth.ky.gov/en/kchip</a>.

#### 1.2.2.4 Presumptive Eligibility

Presumptive Eligibility (PE) is a program that offers certain individuals and pregnant women temporary medical coverage. A treating physician or hospital may issue an Identification Notice to an individual if it is determined that the individual meets the criteria as described below. PE benefits are in effect up to 60 days from the date the Identification Notice is issued, or upon denial or issuance of Medicaid. The 60 days includes current month through end of the next month. This short-term program is intended to allow financially needy individuals to have access to medical services while they are completing the application process for full Medicaid benefits.

Reimbursement for services is different for presumptively eligible individuals depending on the method by which eligibility is granted. The two types of PE are as follows:

- PE for pregnant women
- PE for hospitals

#### 1.2.2.4.1 PE for Pregnant Women

#### 1.2.2.4.2 PE for Hospitals

#### 1.2.2.4.2.1 Eligibility

A determination of presumptive eligibility can be made by an inpatient hospital participating in the Medicaid program using modified adjusted gross income for an individual who:

- 1. Does not have income exceeding:
  - a. 138 percent of the federal poverty level established annually by the United States Department of Health and Human Services; or
  - 200 percent of the federal poverty level for children under age one and 147 percent of the federal poverty level for children ages 1-5 as established annually by the United States Department of Health and Human Services, if the individual is a targeted low-income child;

In order to qualify, women must be screened and diagnosed with cancer by the Kentucky Women's Cancer Screening Program, be between the ages of 21 and 65, have no other insurance coverage, and not reside in a public institution. The length of coverage extends through active treatment for the breast or cervical cancer condition. Those members receiving Medicaid through BCCTP are entitled to full Medicaid services. Women who are eligible through BCCTP do not receive a Medicaid card for services. The enrolling provider will provide a printed document that is to be used in place of a card.

#### 1.2.3 Verification of Member Eligibility

This section covers:

- Methods for verifying eligibility;
- How to verify eligibility through an automated 800 number function;
- How to use other proofs to determine eligibility; and
- What to do when a method of eligibility is not available.

#### 1.2.3.1 Obtaining Eligibility and Benefit Information

Eligibility and benefit information is available to providers via the following:

- Voice Response Eligibility Verification (VREV) available 24 hours/7 days a week at 1-800-807-1301;
- KY HealthNet at https://home.kymmis.com;
- The Department for Medicaid Services, Member Eligibility Branch at 1-800-635-2570, Monday through Friday, except holidays.

#### 1.2.3.1.1 Voice Response Eligibility Verification (VREV)

DXC Technology maintains a VREV system that provides member eligibility verification, as well as information regarding third party liability (TPL), Managed Care, PRO review, Card Issuance, Co-pay, provider check write, and claim status.

The VREV system generally processes calls in the following sequence:

- 1. Greet the caller and prompt for mandatory provider ID.
- 2. Prompt the caller to select the type of inquiry desired (eligibility, TPL, Managed Care, PRO reviews, Card Issuance, Co-pay, provider check write, claim status, etc.).
- 3. Prompt the caller for the dates of service (enter four digit year, for example, MMDDCCYY).
- 4. Respond by providing the appropriate information for the requested inquiry.
- 5. Prompt for another inquiry.
- 6. Conclude the call.

This system allows providers to take a shortcut to information. Users may key the appropriate responses (such as provider ID or Member ID) as soon as each prompt begins. The number of inquiries is limited to five per call. The VREV spells the member name and announces the dates of service. Check amount data is accessed through the VREV voice menu. The Provider's last three check amounts are available.

#### 1.2.3.1.2 KY HealthNet Online Member Verification

KY HealthNet online access can be obtained at <a href="https://home.kymmis.com">https://home.kymmis.com</a>. The KY HealthNet website is designed to provide real-time access to member information. Providers can download a User Manual to assist providers in system navigation. Providers with suggestions, comments, or questions, should contact the DXC Technology Electronic Claims Department at <a href="https://ky\_EDI\_Helpdesk@dxc.com">KY\_EDI\_Helpdesk@dxc.com</a> or 1-800-205-4696.

All Member information is subject to HIPAA privacy and security provisions, and it is the responsibility of the provider and the provider's system administrator to ensure all persons with access understand the appropriate use of this data. It is suggested that providers establish office guidelines defining appropriate and inappropriate uses of this data.

# 2 Electronic Data Interchange (EDI)

Electronic Data Interchange (EDI) is structured business-to-business communications using electronic media rather than paper.

#### 2.1 How to Get Started

All Providers are encouraged to utilize EDI rather than paper claims submission. To become a business-to-business EDI Trading Partner or to obtain a list of Trading Partner vendors, contact the DXC Technology Electronic Data Interchange Technical Support Help Desk at:

DXC Technology P.O. Box 2100 Frankfort, KY 40602-2100 1-800-205-4696

Help Desk hours are between 7:00 a.m. and 6:00 p.m. Monday through Friday, except holidays.

#### 2.2 Format and Testing

All EDI Trading Partners must test successfully with DXC Technology and have Department for Medicaid Services (DMS) approved agreements to bill electronically before submitting production transactions. Contact the EDI Technical Support Help Desk at the phone number listed above for specific testing instructions and requirements.

#### 2.3 ECS Help

Providers with questions regarding electronic claims submission may contact the EDI Help desk.

#### 3 KY HealthNet

The KY HealthNet website allows providers to submit claims online via a secure, direct data entry function. Providers with internet access may utilize the user-friendly claims wizard to submit claims, in addition to checking eligibility and other helpful functions.

#### 3.1 How to Get Started

All Providers are encouraged to utilize KY HealthNet rather than paper claims submission. To become a KY HealthNet user, contact our EDI helpdesk at 1-800-205-4696, or click the link below.

## 4 General Billing Instructions for Paper Claim Forms

#### 4.1 General Instructions

The Department for Medicaid Services is mandated by the Centers for Medicare and Medicaid Services (CMS) to use the appropriate form for the reimbursement of services. Claims may be submitted on paper or electronically.

#### 4.2 Imaging

All paper claims are imaged, which means a digital photograph of the claim form is used during claims processing. This streamlines claims processing and provides efficient tools for claim resolution, inquiries, and attendant claim related matters.

By following the guidelines below, providers can ensure claims are processed as they intend:

- USE BLACK INK ONLY;
- Do not use glue;
- Do not use more than one staple per claim;
- Press hard to guarantee strong print density if claim is not typed or computer generated;
- Do not use white-out or shiny correction tape; and,
- Do not send attachments smaller than the accompanying claim form.

#### 4.3 Optical Character Recognition

Optical Character Recognition (OCR) eliminates human intervention by sending the information on the claim directly to the processing system, bypassing data entry. OCR is used for computer generated or typed claims only. Information obtained mechanically during the imaging stage does not have to be manually typed, thus reducing claim processing time. Information on the claim must be contained within the fields using font 10 as the recommended font size in order for the text to be properly read by the scanner.

#### 5 Additional Information and Forms

#### 5.1 Claims with Dates of Service More than One Year Old

In accordance with federal regulations, claims must be received by Medicaid no more than 12 months from the date of service, or six months from the Medicare or other insurance payment date, whichever is later. "Received" is defined in 42 CFR 447.45 (d) (5) as "The date the agency received the claim as indicated by its date stamp on the claim."

Kentucky Medicaid includes the date received in the Internal Control Number (ICN). The ICN is a unique number assigned to each incoming claim and the claim's related documents during the data preparation process. Refer to Appendix A for more information about the ICN.

For claims more than 12 months old to be considered for processing, the provider must attach documentation showing timely receipt by DMS or DXC Technology and documentation showing subsequent billing efforts, if any.

To process claims beyond the 12 month limit, you must attach to each claim form involved, a copy of a Claims in Process, Paid Claims, or Denied Claims section from the appropriate Remittance Statement no more than 12 months old, which verifies that the original claim was received within 12 months of the service date.

Additional documentation that may be attached to claims for processing for possible payment is:

- A screen print from KY HealthNet verifying eligibility issuance date and eligibility dates must be attached behind the claim;
- A screen print from KY HealthNet verifying filing within 12 months from date of service, such as the appropriate section of the Remittance Advice or from the Claims Inquiry Summary Page (accessed via the Main Menu's Claims Inquiry selection);
- A copy of the Medicare Explanation of Medicare Benefits received 12 months after service date but less than six months after the Medicare adjudication date; and,
- A copy of the commercial insurance carrier's Explanation of Benefits received 12 months
  after service date but less than six months after the commercial insurance carrier's
  adjudication date.

#### 5.2 Retroactive Eligibility (Back-Dated) Card

Aged claims for Members whose eligibility for Medicaid is determined retroactively may be considered for payment if filed within one year from the eligibility issuance date. Claim submission must be within 12 months of the issuance date. A copy of the KY HealthNet card issuance screen must be attached behind the paper claim.

#### 5.3 Unacceptable Documentation

Copies of previously submitted claim forms, providers' in-house records of claims submitted, or letters detailing filing dates are not acceptable documentation of timely billing. Attachments must prove the claim was received in a timely manner by DXC Technology.

#### 5.4 Third Party Coverage Information

#### 5.4.1 Commercial Insurance Coverage (this does NOT include Medicare)

When a claim is received for a Member whose eligibility file indicates other health insurance is active and applicable for the dates of services, and no payment from other sources is entered on the Medicaid claim form, the claim is automatically denied unless documentation is attached.

#### 5.4.2 Documentation That May Prevent a Claim from Being Denied for Other Coverage

The following forms of documentation prevent claims from being denied for other health insurance when attached to the claim.

- 1. Remittance statement from the insurance carrier that includes:
  - Member name;
  - Date(s) of service;
  - Billed information that matches the billed information on the claim submitted to Medicaid; and,
  - An indication of denial or that the billed amount was applied to the deductible.

NOTE: Rejections from insurance carriers stating "additional information necessary to process claim" is not acceptable.

- Letter from the insurance carrier that includes:
  - Member name;
  - Date(s) of service(s);
  - Termination or effective date of coverage (if applicable);
  - Statement of benefits available (if applicable); and,
  - The letter must have the signature of an insurance representative, or be on the insurance company's letterhead.
- 3. Letter from a provider that states they have contacted the insurance company via telephone. The letter must include the following information:
  - Member name:
  - Date(s) of service;
  - Name of insurance carrier;
  - Name of and phone number of insurance representative spoken to or a notation indicating a voice automated response system was reached;
  - Termination or effective date of coverage; and,
  - Statement of benefits available (if applicable).
- 4. A copy of a prior remittance statement from an insurance company may be considered an acceptable form of documentation if it is:

- For the same Member:
- For the same or related service being billed on the claim; and,
- The date of service specified on the remittance advice is no more than six months prior to the claim's date of service.

NOTE: If the remittance statement does not provide a date of service, the denial may only be acceptable by DXC Technology if the date of the remittance statement is no more than six months from the claim's date of service.

- 5. Letter from an employer that includes:
  - Member name;
  - Date of insurance or employee termination or effective date (if applicable); and,
  - Employer letterhead or signature of company representative.

#### 5.4.3 When there is no response within 120 days from the insurance carrier

When the other health insurance has not responded to a provider's billing within 120 days from the date of filing a claim, a provider may complete a TPL Lead Form. Write "no response in 120 days" on either the TPL Lead Form or the claim form, attach it to the claim and submit it to DXC Technology. DXC Technology overrides the other health insurance edits and forwards a copy of the TPL Lead form to the TPL Unit. A member of the TPL staff contacts the insurance carrier to see why they have not paid their portion of liability.

#### 5.4.4 For Accident and Work Related Claims

For claims related to an accident or work related incident, the provider should pursue information relating to the event. #### **5.6** Prior Authorization Information

- The prior authorization process does NOT verify anything except medical necessity. It does not verify eligibility or age.
- The prior authorization letter does not guarantee payment. It only indicates that the service is approved based on medical necessity.
- If the individual does not become eligible for Kentucky Medicaid, loses Kentucky Medicaid eligibility, or ages out of the program eligibility, services will not be reimbursed despite having been deemed medically necessary.
- Prior Authorization should be requested prior to the provision of services except in cases of:
  - Retro-active Member eligibility
  - Retro-active provider number
- Providers should always completely review the Prior Authorization Letter prior to providing services or billing.

#### 5.7 Adjustments and Claim Credit Requests

An adjustment is a change to be made to a "PAID" claim. The mailing address for the Adjustment Request form is:

DXC Technology P.O. Box 2108 Frankfort, KY 40602-2108 Attn: Financial Services

Please keep the following points in mind when filing an adjustment request:

- Attach a copy of the corrected claim and the paid remittance advice page to the adjustment form. For a Medicaid/Medicare crossover, attach an EOMB (Explanation of Medicare Benefits) to the claim;
- Do not send refunds on claims for which an adjustment has been filed;
- Be specific. Explain exactly what is to be changed on the claim;
- Claims showing paid zero dollar amounts are considered paid claims by Medicaid. If the paid amount of zero is incorrect, the claim requires an adjustment; and,
- An adjustment is a change to a paid claim; a claim credit simply voids the claim entirely.

### 6.3 Helpful Hints for Successful CMS-1500 (02/12) Filing

- Any required documentation for claims processing must be attached to each claim. Each claim is processed separately;
- Be sure to include the "AS OF" date and "EOB" code when copying a remittance advice as proof of timely filing or for inquiries concerning claim status;
- Please follow up on a claim that appears to be outstanding after four weeks from your submission date:
- Field 24B (Place of Service) requires a two digit code; and,
- Field 24E (Diagnosis Code Indicator) is a one digit only field.
- If any insurance other than Medicare/KY Medicaid makes a payment on services you are billing, complete Fields 9, 9A, 9D, and 29 on the CMS-1500 (02/12) claim form.
- If insurance does not make a payment on services you are billing, attach the private insurance denial to the CMS-1500 claim form. Do not complete Fields 9, 9A, 9D, and 29 on the CMS-1500 (02/12) claim form.
- When billing the same procedure code, for the same date of service, you must bill on one line indicating the appropriate units of service.
- If you are submitting a copy of a previously submitted claim on which some line items have paid and some have denied, mark through or delete any line(s) on the claim already paid. If you mark through any lines, be sure to recompute your total charge in Field 28 to reflect the new total charge billed.

#### 6.4 Mailing Information

### 7 Appendix A

#### 7.1 Resubmission of Medicare/Medicaid Part B Claims

On claims which have Medicare allowed procedures as well as non-allowed procedures, Medicaid must be billed on separate claims.

- 1. For services denied by Medicare, attach a copy of Medicare's denial to the claim.
- 2. If a service was allowed by Medicare, submit a CMS-1500, which should be submitted to KY Medicaid according to Medicaid guidelines. To this claim, the provider must attach the corresponding Medicare Coding Sheet.

For claims automatically crossed over from Medicare to KY Medicaid, allow six weeks for processing. If no response is received within six week of the Medicare EOMB date, resubmit per item two.

#### 7.1.1 Medicare Coding

As of September 29, 2008, the Medicare EOMB is no longer needed to be attached to a claim if Medicare pays on the service. Instead of the Medicare EOMB, providers will utilize the coding sheet on the next page.

In the event that Medicare denies your service, the Medicare EOMB will be required to be attached to the claim.

The Medicare Coding Sheet may be accessed at <a href="www.kymmis.com">www.kymmis.com</a>. You may type in the Medicare information into the PDF and print the coding sheet so you don't have to hand-write the required information. The PDF will not save your changes in the coding sheet.

Please follow the guidelines below so the Medicare Coding Sheet may process accurately.

- Black ink only. No colored ink, pencils or highlighters;
- No white out. Correction tape is allowed;
- If a service is paid in full by Medicare, those services do not need to be billed to Kentucky Medicaid. The allowed amount and paid amount from Medicare would be the same.
- When writing zeros do not put a line through the zero.
- When billing a claim with multiple detail lines, be sure that Medicare has allowed a
  payment on those services. If Medicare has denied a detail line, that detail must be on a
  separate claim with the Medicare EOMB attached.
- The documents must be listed in the following order:
  - Claim form;
  - Coding sheet, and;
  - Any other attachments that may be needed.

#### 9.1 Remittance Advice

This section is a step-by-step guide to reading a Kentucky Medicaid Remittance Advice (RA). The following sections describe major categories related to processing/adjudicating claims. To enhance this document's usability, detailed descriptions of the fields on each page are included, reading the data from left to right, top to bottom.

#### 9.1.1 Examples of Pages in Remittance Advice

There are several types of pages in a Remittance Advice, including separate page types for each type of claim; however, if a provider does not have activity in that particular category, those pages are not included.

Following are examples of pages which may appear in a Remittance Advice:

FIELD	DESCRIPTION
Returned Claims	This section lists all claims that have been returned to the provider with an RTP letter. The RTP letter explains why the claim is being returned. These claims are returned because they are missing information required for processing.
Paid Claims	This section lists all claims paid in the cycle.
Denied Claims	This section lists all claims that denied in the cycle.
Claims In Process	This section lists all claims that have been suspended as of the current cycle. The provider should maintain this page and compare with future Remittance Advices until all the claims listed have appeared on the PAID CLAIMS page or the DENIED CLAIMS page. Until that time, the provider need not resubmit the claims listed in this section.
Adjusted Claims	This section lists all claims that have been submitted and processed for adjustment or claim credit transactions.
Mass Adjusted Claims	This section lists all claims that have been mass adjusted at the request of the Department for Medicaid Services (DMS).
Financial Transactions	This section lists financial transactions with activity during the week of the payment cycle.
	NOTE: It is imperative the provider maintains any A/R page with an outstanding balance.

This section details all categories contained in the Remittance Advice for the current cycle, month to date, and year to date. Explanation of Benefit (EOB) codes listed throughout the Remittance Advice is defined in this section.
Any Explanation of Benefit Codes (EOB) which appears in the RA is defined in this section.

NOTE: For the purposes of reconciliation of claims payments and claims resubmission of denied claims, it is highly recommended that all remittance advices be kept for at least one year.
